

Exquisite Wedding @ 1919 Waterboat House

Just as an introduction, the prime heritage Fullerton Waterboat house built in the 1919, offering a unique and romantic venue for special occasions. Inspired by the building's rich history, the interiors of the restaurant are adorned with antique pictures of old Singapore with highlights of gold and brass accents, as well as quaint French windows.

The restaurant, 1919 Waterboat House, serves food inspired by modern French techniques using the freshest seasonal ingredients, as well as European seafood signatures. Adjoining the restaurant is the Marina Bay terrace that offers a versatile events venue for unique experiences.
