Frequently Asked Questions

GENERAL QUESTIONS

Is the entire venue outdoors?

The solemnization venues are outdoors with minimal shelter, however our dining venues are fully sheltered. We have two air-conditioned venues, Country Rose and Loft Musuem.

What happens when it rains?

We will have a wet weather contingency plan, thus your solemnization will still go on whether rain or shine at our back up venue. Our venues are all linked and sheltered, thus you do not need to worry if you forget to bring your umbrella!

Do I need to make an appointment to view the venue?

Yes, viewing is STRICTLY by appointment only. You may arrange a site visit through our Wedding Team by emailing them at weddings@gardenasia.com or contact them at 6336 5881.

What are your office operating hours?

On weekdays, our site office is open from 9am – 5pm and our sales office is open from 11am – 8pm. Site visits and appointments on Saturdays are subject to availability. All offices are closed on Sundays except for weddings.

Are there a lot of mosquitoes at the venue?

As Singapore is a tropical country, mosquitoes are inevitable. Fogging will be done a day before your event.

Can we have an after-party after the event has ended? What time do we need to leave?

Of course you can party the night away! However additional charges per hour will be applicable. The advantage about being tucked away in the countryside is there are no residential buildings around, thus you do not have to worry about the loud music going on till wee hours in the morning.

Will there be any transportation provided for my guests to Gardenasia?

You may opt to charter a 44-seater or 19-seater coach for a two-way transfer. The coach can pick up your guests from any location as long as there is a bus bay for the coach to stop. The drop off location can be anywhere too. Kindly refer to our Rental List for the prices.

May we hold a date while we make a decision?

As we do not hold dates, thus it will be on a first-come-first-serve basis. We understand that important decisions take time, but the only way to hold the date is to book it. Your deposit reserves the date for you.

What forms of payment are accepted?

We accept payment by cash; check, credit card and bank transfer for deposit payments. The final amount should only be paid via cash or credit card on the event day.
