It was an unforgettable night & it wouldn't have gone so smooth without the great services provided by all of you that are involved in some way or another!

Firstly, we would like to take this opportunity to specially thank Jessica who had been very helpful throughout our wedding preparation! Your friendliness was actually one of the reasons why we signed up for the hotel initially! You guys are willing to stay back till so late to entertain our questions and show us around! That leaves a very good impression for us! Jolene and Joseph were also there on that very night when we signed our package!

Thank you for your efforts in co-ordinating for all our necessary needs and arrangements! Your great help definitely did ensure us to have a smooth and enjoyable wedding experience! And not forgetting Maylene who have patiently showed us to the hotel rooms and the ballroom whenever we need to see them!

Next, we are also very grateful to have Jason & Sam who had been very professional & thoughtful in helping us went through our wedding dinner! We felt things are being well taken care of the whole night!

Thank you Jason for overseeing the whole event, making sure that all our guests were well taken care of without any problems! And not forgetting Sam! You really make us feel comfortable and good throughout the whole wedding! Your constant reminder of what to do next and what is going on next are remarkable and made us feel confident about you!
